GROWING TOGETHER AS ONE

Debra Wauchope was born in Grand Rapids July 25, 1956 and Scott Rummel was born also in Grand Rapids July 31, 1952. The two of them attended elementary to high school in the Grand Rapids area. Debra and Scott were the far and few absolutely placed on this earth destined to one another. The history of this couple all began the summer before their freshman year of high school. Debra and Scott were neighbors both new to the area. They met the first day of school and never left one another's side. After high school graduation Debra and Scott attended University of Michigan together. The two of them were studying for business degrees. Their junior year Scott came to conclusion Debra must accompany him in marriage.

Debra and Scott's wedding proposal was right out of a fairytale. Scott took Debra to Maui for spring break their junior year in college. Scott should have earned an award for the role of prince charming that afternoon. It all started with horseback riding along the white sand in Maui. Followed by a gourmet, champagne picnic along the ocean. An amazing ring for an amazing woman finalized this afternoon. (A quote by Scott)

THE WEDDING DAY STORY

After four years of dating, Timmy Hayes and Mary Horioso finally decided to take that big leap of faith, to do that walk to the altar, to unite in holy wedlock.

Naturally, anyone with Mary's network of wedding endors and her inside scoop on the latest in wedding trends, would plan an elaborate and ornate celebration of their nuptials- or so one would think.

Curiously enough, Timmy and Mary preferred to keep their wedding simple, personal and intimate- very intimate.

On a warm and sunny Wednesday evening in September, they flew off to Las Vegas. Around 1 a.m. Pacific time the soon-to-be-weds checked into the MGM Grand Hotel, the largest hotel and casino in the world.

Late Saturday afternoon, September 24th, Timmy and Mary donned their wedding finery. Mary wore an ivory, off the shoulder, floor-length gown and Timmy looked G.Q. in his black tuxedo. Before leaving for Vegas, Mary's sister, Tina, gave Mary and Timmy a silk bouquet and boutonniere. Tina wanted them to have a keepsake of their special day.

They exited the hotel through the casino- drawing many attentive stares- and into their waiting limousine. On the way to the chapel, Mary and Timmy took a detour to quickly pick up their marriage license.

A short while later they arrived at the Little White chapel. This is a very small and personal chapel. The Reverend Donald L. Walker married the lovely couple at 5:55 p.m. the ceremony, faced with the bride's tears of happiness, was simple

The proud parents of Mr. Johnson, Mr. and Mrs. Johnson are so pleased this day has finally come. LET THE ACTIVITIES BEGIN

Our wedding reception was at the most beautiful location in Arizona, the Scottsdale Princess. What truly made this so special was the family, the friends, and when the laughter filled the room. This was a moment of a lifetime, when dreams became a reality! The buffet tables draped with silk, white table cloths and gourmet food in arrangement of vibrant colors placed by exotic tropical floral designs. A string quartet played chamber music as guests sipped champagne. As the evening progressed the music became louder and guests began to have a little more fun. This is a evening that will go down in history, the first chapter as a married couple. Thanks to all for the beautiful reception, it was picture perfect.
